

Skydiving for MS 12

June 5, 6th & 7th, 2009

Looking for a unique way to raise money for Multiple Sclerosis?

Join us for the 12th Annual **Skydiving for MS**. It's guaranteed to be a fun day for all - complete with volleyball, horseshoes, airplane rides, live music, a raffle with great prizes and other activities throughout the day - and of course, SKYDIVING! Ever wonder what it feels like two miles up, flying your body at 120+ mph? Here's your chance to check it out. You will be attached to a professional who is trained to give you an experience you'll never forget. Don't forget to capture your skydive on DVD!

If you'd rather keep your feet on the ground, don't let that stop you from coming out and enjoying the excitement of the day. For a \$25.00 registration fee, you'll get dinner, live music, and an event T-shirt. After a full day of activities, stick around for an evening of food, great music, and a huge bon fire party. Feel free to bring a tent and stay the night. There are showers available and accessible bathrooms on-site.

If you are wondering if you can take part in a jump even though you're not physically able to climb into the plane, call **1-800-404-JUMP** to learn more about **Skydiving for MS 12**.
